Kensington

Virtuoso™ Multi Pack Stylus

K39784WW

Product Description

You've got plenty of challenges as an educator. Not the least of your problems? Keeping your kids from getting sick. One little thing that can make a big difference is the use of a Virtuoso Stylus from Kensington. The Virtuoso Stylus is the perfect way to keep kids from transmitting colds and germs in the classroom via a tablet screen. It also reduces screen smudges to help keep tablet screens clean and scratch-free.

Just as important, kids will enjoy using a Virtuoso stylus because it will increase accuracy while drawing, navigating and creating. The soft tip glides easily across a tablet screen for control and the comfort grip feels soft and easy to handle. What's more, the thin, lightweight design is perfect for a child's small hands. The Virtuoso Stylus fits perfectly in the Kensington SafeGrip iPad Rugged Carry Case stylus holder, too. Safety is a paramount concern at Kensington so you can rest assured that the Virtuoso Stylus meets or exceeds all federal requirements for Lead, Phthalates and other toxins.

Each bulk package contains 10 Virtuoso black styluses. The Kensington Virtuoso Stylus is a small investment that can pay big rewards in the classroom.
